TRY IT: Apply to the company house, via internet, pay reg. fees (£<50), do free Trading for the first six months, and then tax calculator starts ticking. All what you need is the name and address of: 1-director, and 2-secretary, as well as company name & trading type; e.g. Name: Love-making ltd; Trading Business: Global love-manufacturers import and export!

Trade may also refer to anything legal or otherwise, for which smart expressions of English deception may be used for payments, then you may dissolve your company without liability after/before six months of registration. That what Director CEO Sudad Hamoodi did, since the 1980s, by trapping flawed clients and customers from the middle-east under education flagship, e.g. Iran, Iraq, Jordan, Syria, Lebanon, Turkey, etc. Director Sudad Hamoodi use to sell tap-water as mineral water for his flawed company of Absolute-water-ltd, and caught red-handed at his home. Agent Sudad Hamoodi always maintained that he is SAS trained for 9/11 as a pilot, which may justify his link with the security companies of IQ-occupation, such as: Garda ltd, which had major contract at the occupied-IQ. They were selling toys for major flawed security operators @ \$500m+ Those were bought from China for \$5K

By deception signature Sudad Hamoodi PR claimed:

- **Director Sudad Hamoodi always maintained that his daughter is MI5 agent,**
- **Director Sudad Hamoodi always maintained that his son-in-law is MI6 chief of staff, stationed in North Africa. His family are GB-crown agents before WW1?**
- **Although Sudad Hamoodi use to keep four women at a time for love-making, by Sharia law of Islam, one or two partners, mother kharia, and Zainab the daughter of his brother NHS-Liverpool Akram Hamoodi. Thus, Sudad @ home means giving his women their right of love making, from which Sudad established: GB love-making ltd, to sell free-wives for the Gulf royals and kings!**

At Gun point and deceptive company business, IQ-mossad discloses 3-victims:

- **Victim one, of property theft in Newcastle-UK, who was a PhD in physics, and lost his property at gun point and fraud flawed signatures.**
- **Victim two is another PhD of Earth Sciences from Hull, who lost his property of home at gun-point, as well as his family in IQ. The family of seven was sold to the highest bidder, inc. their property. Attached is a court fine for not paying council tax of related property, before he auction and the sell of that property.**
- **Victim three is/was working as an expatriate in the Gulf region and lost his property and life saving at deception and gun point.**
- **During the IQ-invasion, Aned Hassan Hamoodi, father of Sudad Hamoodi arranged flawed story against the GB army, published by the BBC of the attached search, and rewarded more than £20.0 millions. This money were invested @ Iran to benefit the IRGC occupiers in IQ. A further list included crime of genocide in Iraq.**
